

CHILDREN'S MEDICAL GROUP

SLIDING FEE SCHEDULE

1. Policy

- a. Children's Medical Group offers a reduced charge for services called a sliding fee schedule.
- b. If accepted, the discount will apply to all services received at CMG but not those services which are sent to outside facilities such as laboratory testing, drugs, radiology testing and other similar services as each outside facility does their own billing.
- c. To qualify:
 - i. Complete an application
 - ii. Supply documentation of household income
 - iii. Have no other medical coverage
 - iv. Patient age: 0 – 21 years old
- d. In the hope that your economic health improves, discounts apply only from the date of the application. There is no retroactive application. Every 12 months, re-application is required.
- e. We encourage patients who are affected by poverty to apply for medical assistance or the Children's Health Insurance Program (CHIP). Many children in our area are eligible for this and it may help cover the cost of services incurred from outside facilities such as laboratory testing, radiology testing, physical therapy, etc. Our office staff can provide contact information to the Allegany County Health Department to apply for this.
- f. Fee Scale based upon annual income.
- g. Applications can be requested by calling our office at 301-724-7616 or asking the receptionist at the time of your visit.
